Note

Government in their proceedings No. 4926-27/J.505, dated 6-10-1900, sanctioned the employment of a Prosecuting Inspector for the Sagar Sub Division on Rs 50+15 per mensem tentatively till the end of the year 1900 and requested the District Magistrate of Shimoga to submit at the end of that period a report as to the No. nature and results of the cases prose-cuted by the Inspector together with his (District Magistrate's) opinion as to the necessity or otherwise for continuing the appointment.

The District Magistrate, in pursuance of the above order submitting a list of cases prosecuted by the Inspector stated that a period of 2½ months ~~was~~ is short to enable him to form a decided opinion as to the necessity or other-wise for the continuance of the ap-pointment referred to, as the prosecutin Inspector arrived at Shimoga only in April 1901 and commenced his work from the 16th idem. The Deputy Commis-sioner, however, thinks that the Pro-secuting Inspector was fully engaged during this period and that in the absence of such an officer, the time taken by such duties would have to be given by the Taluk Officers to the de-triment of their investigating, detectiv

and

and preventive work. He therefore suggests that the appointment should be continued till the close of the next official year when the question could be be finally disposed of on the result of a full year's work.

The Inspector General in submitting the above to Government states that the office of the prosecuting Inspector is not a desideratum that the other Divisions are without it, that during the whole of his career as a Magistrate for 25 years he felt no necessity for a prosecuting Inspector and that he therefore has abolished the post with effect from the 1st July 1901.

In para 1 of their Order of 6th October 1900 (sl.No.15) the Government expressed a desire to have a report from the District Magistrate at the end of the official year to enable them (the Government) to decide whether it was necessary to continue the appointment or not.

The present report of the Inspector General shows that he has himself done away with the post from the 1st July 1901.

From

THE INSPECTOR GENERAL OF POLICE IN MYSORE.

To

THE SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

Sir,

With reference to Govern-
ment Order No. 4926-27/J505 of the 6th October 1900
sanctioning temporarily a Prosecuting —
Inspector on Rs 50/plus 15/Rs horse allowance
for Sagar in consequence of there being
a Divisional officer and calling for
opinion about the continuance of the
post after the close of the year (1900-1901),
I beg to forward herewith a copy of the

Shimoga Deputy Commissioner's letter No. 622 of the 27th June 1901 giving it as his opinion that the post referred to should be continued for a year more to enable him to give a final reply. I, however, venture to state that the office in question is not a desideratum. The other Divisions in the Province are getting on without prosecuting Inspectors and in fact I never, during the whole of my career as a Magistrate ~~during~~ for 25 years, felt the need for a prosecuting Inspector. So, the post has been done away with from the 1st July 1901. I have the honor to be,

Sir,

your most obedient servant,

Offg. Inspector General of Police

Enclosure 1900-1901. 31

Enclosure No. One Memo.

Sir,

With reference to your Docket no 4673—234 dated 19th June 1901, calling for the report required by Government in their Proceedings no $\frac{4926-27}{J.505}$ of 6th October 1900 regarding the continuance or otherwise of the appointment of a Prosecuting Inspector for the Sagar Sub-Division, I have the honor to submit a list of cases prosecuted by the new officer and showing the particulars required by Government, and to state that as the prosecuting officer came to this District in

in April last, and commenced work on the 16th Idem, the period of two and a half months is too short a time to form a decided opinion as to the necessity or otherwise for the continuance of the appointment. Though the number of cases prosecuted, was only 11, the number of days he had to attend the courts was 62, thus showing that he was fully engaged. This time, in the absence of such an officer would have to be given by the Taluk officers to the detriment of their investigating detective and preventive work. I am of opinion, for these reasons, that the appointment may be continued till the close of the next official year, when the question can be finally disposed of on the result of a full year's work.

I have the honor to be,
Sir,
Your most obedient Servant,
(Sd). G. Krishna Rao.
for Deputy Commissioner
Shimoga District.
